COSTUME QUICK CHANGE HAS BECOME A 3 TEAM MEMBER EVENT.

The team will supply the “ACTOR” for the event. The teams are permitted to rehearse with the “ACTOR” prior to the event at THESCON. There will still be 2 Wardrobe Dressers for the event.

FIRST ATTEMPT-

The “ACTOR” will be wearing the Scene 1 costume and standing in the ONSTAGE square.

The Dressers have **30 seconds** to PRESET the Scene 2 costume in the OFFSTAGE square.

The ‘ACTOR” steps into the OFFSTAGE square and the **TIME BEGINS**.

Dressers change the “ACTOR” to the Scene 2 costume.

The “ACTOR” returns to the ONSTAGE square when the costume change is completed and **TIME STOPS**.

The team has **90 seconds** to reset the OFFSTAGE Scene 1 costume for their second attempt.

The judge will be assessing the penalties (if any) during this time.

SECOND ATTEMPT-

After the 90 second reset, the “ACTOR” steps from the ONSTAGE square to the OFFSTAGE square.

TIME STARTS.

When the change-over is complete the “ACTOR” steps into the ONSTAGE Square and **TIME STOPS**.

The Judge assesses the penalties (if any) and the “ACTOR” removes Scene 1 costume.

THE COMPLETED TEAM MUST RESET THE COSTUMES FOR THE NEXT TEAM’S ATTEMPT.

Professional behavior is expected at all times.

SOUND CABLE COILING HAS CHANGED TO A TEAM EVENT (4 team members)

The ENTIRE Team stands in a “Starting Box” (starting line) with 4 @ 25’ sound cables connected together in front of them with the female connector closest to the “Starting Box” (starting line). There are spike marks for 25’, 50’ 75’ and 100’ under the cable. There is a table next to the “Starting Box” (starting line) with a wooden frame to store the cables when completed.

START EVENT:

The team starts with the first member leaving the “Starting Box” (starting line) **TIME STARTS**

First Team member goes to the 25’ spike mark, disconnects the cable and begins to coil cable as they return to the table next to the “Starting Box” (starting line)

Team Member places completed coiled cable into the Wooden frame;

The cable MUST be coiled to the correct size and CANNOT hang outside or stick over the frame.

When the cable is **completely inside the wooden frame** the first team member can return to the “Starting Box” (starting line).

Second team member leaves “Starting Box” (starting line) when first member enters “Starting Box” (starting line). **DO NOT LEAVE EARLY**-You will be required to come back to the “Starting Box” (starting line) to “TAG IN” then continue event.

Second Team member goes to the 50’ spike, disconnects cable and begins coiling as they return to table. Second Team member places correctly coiled cable in the wooden frame.

Repeat for 75’ and 100’ cables.

When the last cable goes into the wooden frame and last team member returns to “Starting Box” (starting line). **TIME STOPS.**

THE COMPLETED TEAM MUST RESET THE SOUND CABLES FOR THE NEXT TEAM’S ATTEMPT.

Professional behavior is expected at all times.
